

The Team at the **Boise Lawn Co.** is committed to creating an exceptional experience for their clients and their employees. This dedication to quality has created an opportunity for growth and expansion. We are in search of team minded individuals who are hungry for an opportunity to serve our clients exceptionally, grow with us as a company and have their efforts recognized and rewarded.

We are currently accepting applications for a **Pruning Crew Technician**.

Responsibilities:

- Complete pruning of trees and shrubs correctly and on time for both commercial and residential clients
- Complete Spring and Fall cleanups
- Ensure Team Member and Public Safety
- Interaction and communication with clients to ensure customer understanding and satisfaction
- Care of tools and equipment
- Contributing and communicating with the team to promote and ensure a quality work environment

Experience and Requirements:

- Must have a working knowledge of proper pruning techniques and plant identification. Safely operate equipment to complete work to company and clients specifications. Having multiple years experience on a pruning crew is not required. We are looking for the right person that fits with our company culture. We are willing and able to train that person to be successful in our company.
- Characteristics we are looking for:
 - Task Driven
 - Detail Oriented
 - Clean and Organized
 - Reliable
 - Team Attitude
 - Effective Written and Oral Communication Skills
 - Physical Ability to Perform Required Duties
- Must Have:
 - Valid Driver's License
 - Insurable Driving Record
 - Pre-employment Drug Screening

Please bring resume and references by our office Monday – Friday at 9:00am or email them to aaron@boiselawnco.com
