

Pipeco began in 1978 with a small location in Twin Falls, Idaho. In the beginning, sprinkler systems were only a small part of our business. As the residential and commercial irrigation industry expanded, our business began focusing more on irrigation and landscape supplies. Through the years, we have added branch locations in Nampa, Boise, Idaho Falls, Pocatello, Ketchum and Fruitland – all with the purpose of providing local expertise to local residents with our style of low-key common sense and devotion to the industry.

Pipeco currently has an opening for a Warehouse / Receiving position at our Nampa location.

SUMMARY OF POSITION: Delivery and warehouse personnel to work in our fast-paced irrigation distribution store. Responsibilities for this position include, but are not limited to, receiving and processing inbound orders, loading customer orders, delivery of customer orders and cleaning/organizing the warehouse and pipe yard. Applicants, who are detail oriented, possess delivery and forklift experience and have a clean motor vehicle record are encouraged to apply. This is a full-time position with an immediate start date.

Work hours are seasonal with “Summer” hours (April to September) being from 7:30am to 5:00pm with the occasional Saturday being from 8am to Noon. There are 4-5 Saturdays worked on a rotating schedule during the Summer. “Fall/Winter” hours (October to April) are 7:30am to 4:30pm

Skills & Qualifications:

- Basic Computer Skills
- Customer Service, Parts Sales / Support Experience
- Irrigation / Landscape Experience Preferred
- Forklift experience
- Dependable & stable work history
- Clean Motor Vehicle Record
- Bilingual a plus

Pipeco offers a competitive salary and benefits package including:

- Medical, dental, vision insurance
- Optional life and personal accident insurance
- 401(k) with company match
- PTO
